2010 Glanbia Senior Hurling South Final Preview

Carrick Swans are through to their first final appearance in 10 years. This was the year that Carrick Davins brought a breath of fresh air to our Senior Hurling Championship with the Carrick local derby played in Davin Park the highlight to date, The League Championship was very interesting this year with every game on a knife edge to see who would make the last four with surprise Killenaule, Mullinahone, Carrick Swans & Carrick Davins all making it to the Semi Final Draw that was made in the Gaa Centre by Glanbias Area Manager Tom McCormack on Friday July 2nd with Carrick Davins v Killenaule, Carrick Swans v Mullinahone maybe we would have an all Carrick Final or a repeat of last year final neither was to be with a new Final pairing Carrick Swans & Killenaule who in the first game of the League drew 0-11 each & who last met in a Final was in 1991 with Killenaule on that occasion taking the honours 0-15 to 1-10, with both teams making great progress as the year unfolded to days match should be a thriller the hunger of 10 years out in the wilderness by Carrick Swans will certainly put it up to Killenaule who were defeated last year and have regrouped with their county players Declan Fanning & Pat Kerwick to try and restore 3 titles in 4 years with Killenaule seeking their 18th Title Carrick Swans are seeking their 22nd with their success in recent years was in the County First ever winners of the O Rian Cup in 2008 we wish both Teams the very best of Luck in the Final today in Fethard with the Dan Breen now commencing on September 19th I would like to thank all the Teams for the enjoyment afforded to us during the year and wish each and every one of them the best of luck in the Dan Breen.

Killenaule GAA 2010

The last few years have been exciting times for the club in Killenaule, and 2010 is proving to be no exception. On the playing field, particularly in hurling, things were rarely, if ever better. The parallels with twenty years ago are intriguing. Killenaule's recent emergence as the dominant force in the Division has once again coincided with Tipperary's return to hurling's top table. Seeking their fourth Divisional Crown in five years Killenaule must surely now be best placed to be the first South side to capture the Dan Breen Cup, since Mullinahone in 2002. Six in a row South U21 Hurling titles, and two County U21 Hurling titles, are now bearing fruit at Senior level, with Killenaule appearing in their eight consecutive final.

Lead by the talented Declan Fanning, Pat 'Festy' Kerwick, Gerry Kennedy, Donal Shelley, U21 Star John O Dwyer who will be hoping to be in All Ireland Final before today and Minor Star Joe O'Dwyer, along with Senior Footballers Paddy Codd and Matthew O'Donnell, the club is enjoying their best in Inter-County representation. With a top class performance on Tuesday last in the Semi Final v Carrick Davins going to extra time we expect to add our 3rd Title in four years in Fethard this evening Killenaule have the essential blend of youth and experience in their side. With five not available of last year first fifteen & three more presently on the subs bench that will see only 7 of last year South Final team on duty today a win in today's final would give the men in red & yellow a Co. Quarter Final berth in Senior Hurling

Off the field, Killenaule GAA club is a very well oiled machine. A vibrant and active committee under the stewardship of Chairman Hugh Browne, functions with seamless efficiency allowing for the smooth preparation and running of all teams. As we currently exist in this recessionary climate, it's becoming more and more difficult to run a GAA Club. Killenaule is no different than any other Club but is lucky to have a fine Runai Tadj O'Connell who is a guiding light & a very committed and genuine Member doing all that is good in the Club at grass roots & a Treasurer in James Simpson, with the sound financial nous and business acumen, to time and time again, keep the club afloat financially. The new club lotto, co-ordinated by Paul Guinan, launched in May 2009, has been a great success to date has brought the community closer together and reached out to those who have been on the periphery of the club, and the association in general. Looking forward, the club looks in good hands and win today, would be another step towards reaching its great potential.

Carrick Swans

Carrick Swan have a proud tradition in Senior hurling in South Tipperary holding pride of place in the honours list with 21 titles, today we hope to make that 22, it has been 10 years since we last won the title and for a club such as Swan that is too long to be waiting, we won our first Senior title in 1933 when we beat a Boherlahan side that had dominated South Tipperary at that time. The club went from strength to strength and won a further South title in 1935, we again won the title in 1936 and 1939 before the clubs greatest era in the forties when we monopolised the championship from 1944-1948 inclusive, during that era we won the County Senior hurling title of 1947 becoming the first team from the South to do so when we were captained by the legendary Willie Wall. Further South titles came in 1950, 1952, 1958 and 1959, the sixties unfortunately for a variety of reasons proved rather unsuccessful but then an emergence of new talent following on from winning the County U21 title in 1972 led to us reclaiming the Senior title in a never to be forgotten derby match of 1974, we again won the title in 1978 and then the 4 in a row of 1983/1984/1985 and 1986, we also won in 1990 and our last title was in 2000. So with a strong tradition such as that which we have we go into today's final with plenty of optimism, the lads have trained hard and are ready for a tough battle, there are many links to the final of 2000 on today's panel, players such as Alan O'Sullivan, Sean Barrett, Jamie Power, Ray Dunne, Bobby Ryan, Alan P. Ryan, Jamie Sweetman and Mark O'Halloran [unfortunately injured for today] Brian Grace who was injured in 2000 but played in the 1999 final these lads have given sterling service to the club down the years, to complement that type of experience we then have the boys that contested 3 County Minor finals in a row winning gloriously in 2004, those lads have taken time to adjust to the rigours of Senior hurling but are now maturing as we knew they would, when they added the inaugural Seamus O'Riain trophy to the cabinet in 2008 it was a stepping stone and the lads deserve every accolade for the way in which they won it. A lot of people can take credit for getting the team where it is today, not least the Juvenile section of the club who brought all of these lads up through the ranks, the Juvenile section of Carrick Swan is the envy of many and in 'Pairc na Healai', children both boys and girls are shown the skills of the game in a controlled and safe environment where parents and family members can rest against the wall and watch the training in progress or during inclement weather the children can be brought to our state of the art indoor facility, last year we won the South U14 A hurling title and whilst our Juvenile section is strong so too is our football section, last year we won the County and South championships in Intermediate football and we also won the South championship in Junior football, a wonderful achievement for the club. The future of the club is bright we have already won the South title in minor B hurling this year with a very young team and there is some exceptional talent coming through.

However today is all about trying to add title number 22 to our role of honour in Senior hurling, we are the divisions leading light in Senior hurling but the gap is closing, we now have the opportunity to once again assert ourselves as champions, the best of luck to all our players and mentors Maurice Grace, Thomas Waters and John Lonergan, physio Johnny Grace and all the extended backroom team, in particular we would like to wish Larry Reade well.
